

Your 5-point personal security plan

The best way to create your personal security plan is to address the following categories and create 5 points that you will implement and following in those specific categories. YOU NEED 5 ACTIONS/STEPS FOR EACH CATEGORY

Home/Dorm:

- 1 Make sure all windows are closed and locked**
- 2 Lock dorms immedietly**
- 3 Do not let randoms into my room**
- 4 Keep my phone on and near me at all time**
- 5 I will get safe and store valuable and important items in it**

Online:

- 1 Do Not use unsafe wi-fi or networks**
- 2 Have a Strong password**
- 3 Use a different password for each website**
- 4 Dont share personal information online**
- 5 Change password freinquily**

In Public Places /Campus or Work

- 1 Stay aware of my surrouding**
- 2 Walk with someone at night or use campus police**
- 3 Know the location of safe pay phones to the campus police**
- 4 Avoid poor lit areas**
- 5 Pep;er spary keep on me**

Transportation Safety

- 1 Share location with people I trust**
- 2 Be aware of my surroudings**
- 3 Have a planed safe and quick route**
- 4 Lock car as soon as entering**
- 5 Avoid traviling in extemere weather times**
